Do you knit, crochet or sew?

Family Hospice Care is looking for individuals with extraordinary hearts to knit or crochet shawls that will warm and comfort our patients. Materials, yarn and supplies will be provided unless you wish to donate them yourself.

If you enjoy sewing, you will have the opportunity to create "Memory Bears." Memory Bears are designed from the patient's clothing and passed on to the survivors.

Use your gift of sewing, knitting or crocheting to touch the lives of others!
